1. Introduction

Located in the north of North American Continent, Canada is one of the richest countries all over the world. Every year thousands of people coming from different countries and areas visit this country for its beautiful and charming scene and it also the ideal target for migrants. It can be accepted that we cannot show this country's every anecdotes in so short paper but we could know of its charm by a scene in its history and culture. Living in the Canada, Eskimo is known for us and we often watch their lives by TV or Internet. Of course, we all give great interest to their lovely dogs. So we decided to show you some knowledge about huskies and hope that it can take interest to you.

2. Huskies in Canada

Malamute is very important role in dog's history. It is not only friendship between people and dog but also malamute's function in development of human beings' process. Huskies are one of the three main kinds of malamute in the world. Huskies refer to the kind of malamute in Canada. They are adopted by Eskimos before a long time. This kind of dog is not good choice as children friends. They prefer cold environment to city life. In fact, it likes wolf very much. The battle between them is very usual and you never believe their patience just depend on lovely appearance. The most familiar scenes of it for us is that many Huskies are pulling sled on the snow land of Canada.

3. Huskies in the life of Eskimos

3.1 Huskies' function and position

In previous, Huskies' most important role for Eskimos is to pulling sled. Because of Eskimos' living environment, they must often change residence. So as the main transportation, dogsled by huskies makes of an essential element for Eskimos. When huskies working, a lot of huskies will pull one sled together on the lead of their leader dog (always runs in the head of team).Of course, their work is not only transportation but many other factors. For example, they will do guard of masters and help master to hunt.

3.2 Huskies' history

It is clearly that Eskimos began adopt huskies in earliest time. Malamute depending on their strong body and ability fighting cold weather are important tool for people living on areas of high latitudes. Belonging to malamute, Eskimos' huskies own general character of malamute and distinctive character. As the view of history, Eskimos adopted huskies with their existence.

4. Huskies in modern society

4.1 New location

With the development of the time, there are many huskies all over the world. Huskies also have the new location in modern society, such as being treated as pets. They also take part in the sled races. When they get sick, their masters will take good care of them. Of course, they never give up their fountain as important helper for people.

4.2 Huskies in works of art

There are many works of art about huskies, all of them are very famous, especially the film of *Eight Below* and *Iron will*. *Eight Below* mainly describes a team of dogs staying at Research stations of Antarctica when their masters have to leave. But their masters returned to Research stations of Antarctica for finding them without help of official. *Iron will* give us a story about the Iditarod Sled Dog Race. Depending on friendship between people and dogs, protagonist gets the victory in the end. Many art works about huskies appear. For example, photo and novel is more and more.

5. Spirit totem of Huskies

In Canada, Huskies is not only helper of people. In fact, Huskies has been Spirit totem of Canada. When huskies working, their masters can easily find their spirit of industry, brave and loyal. This kind of spirit is the same with Eskimo's lives. When people had just set up their new homes in Canada, people show same spirit with huskies. In western countries, dog is very important role in their lives. Not only its help for people but also spirit of loyal, industry and brave are the reasons of people liking dogs. Huskies are also this area. Huskies help people to win the nature and overcome hardship and they will be not happy if you do not give their work. I believe that people in Canada will not get better lives without huskies' spirits.

6. Conclusion

All in all, huskies help their masters to live better and become people irreplaceable role. And more important one is that spirit show us people spirit in Canada in ancient or modern.
